JOINT BASE LANGLEY-EUSTIS VA**

MEMORANDUM FOR 733 MSG Directorates and Mission Partners

FROM: 733 MSG/CC

SUBJECT: Base Access for Non-Federal Civilians for Hunting, Fishing and Boating Program

1. In accordance with the Sikes Act (16 U.S.C. §§ 670a-670o), access to the installation for hunting, fishing and recreation is required unless such access might impair military operations.
2. After consultation with both the 633 JA with the 733 SFS, I determined that unsponsored civilians create an unacceptable security risk to mission operations. As such, I hereby restrict access to the base for civilians not associated with the federal government and who also lack a DoD sponsor.
3. For information concerning this letter, please contact Ms. Alicia Garcia by phone 878-4231, or by email at alicia.garcia.4@us.af.mil.
